Sir,

With reference to your letter No.J.496/Pris.56-15-5 dated the 7th instant, anent the release of life convict Papanna, I have the honor to state that as already submitted the Deputy Commissioner reports that as from the copy of the Judgment in the case against him, he appeared to be a dangerous and desperate character and as there was nobody in Mysore that could vouch for his good conduct if released and permitted to stay in that City, it was considered undesirable to permit him to live in the Mysore City.

2. If, however, he is to be released under the rules for time-expired convicts and he desires to stay in Mysore, I am afraid I do not see how we can object to it, but perhaps it may be found possible, if needed, to impose some conditions that on release he will subject himself to some surveillance etc.
